(Contact: Gàbor Kiri)

The key to being part of the group is signing up to our email list. Once you're on that, you'll get reminders of events and be invited to sign up to those where we need firm numbers.

To join the mailing list, just send an email to **20s30s@trinitynorwich.org** and we'll add you to the list.

Feel free to bring friends along.

Each social event has a contact name associated with it. This person is the organiser of the event and will send out a reminder email to the mailing list before the event.
